

Defence Writing

Defence Writing has now become an integral part of Officers' Education.

Officers applying to attend JOLP 3 seminars should ensure they have completed the E-DW package and are familiar with the style and conventions used in a Loose Minute and a Flagged Brief.

Likewise those Captains applying for MA modules should familiarise themselves with a Submission and a Flagged Brief.

Defence Writing Short Courses are run at both 34 and 43 AEC.

For more details please contact the relevant AEC.
