

Renewal Process for VIAP holders who wish to shop in NAAFI retail outlets

On the 2nd August 2010, HQ UKSC announced the introduction of a pilot scheme which would allow VIAP holders living in Germany to shop in NAAFI facilities and retail outlets. Since then, more than 400 Veterans have taken the opportunity and are now in possession of their 'Pink Card'.

The 'Pink Card' is only valid for one year from the date of issue by the local Zollamt (German customs office). Therefore, Veterans must re-apply annually, in order to continue to use this concession. The renewal process is the exact same as the initial process, however, veterans can submit their application to C&I for the issue of BFG form 5201B up to one month in advance of expiry of the 'Pink Card'.
