

Army Families Federation - The AFF Journal team is already planning for the first edition of 2012 - and we need your help!

Were you part of an Army family thirty years ago? Perhaps you were an Army spouse or an Army child in 1982. The AFF Journal would love to hear from you!

AFF is celebrating its 30th year soon and we would love you to share your memories or photos of Army life over the years. Contact us at editor@afj.org.uk
