

The Regimental Welfare Team
1 Medical Regiment – Münster Station

Welfare Officer
Capt "Colin" Johnson

I have been in the Army for 24 years and in this particular appointment for 8 months. I have been married to Denise for 20 years and we have a wonderful daughter "Rebecca" who is 12 years old and currently at boarding school in Scotland. I am serving in Germany but my wife lives in our family home in Scotland, due to her having a very good job there. I get home on average one weekend every month, which is just enough to keep me sane.

Welfare Clerk
Mrs Jude McClurg

I'm the Welfare Clerk for 1 Medical Regiment as well as a wife of one of the soldiers deployed on Op Telic 13. I have four wonderful children, 2 boys and 2 girls who are all under 10 years old and keep me very busy. I myself have served in the Army for 7 years so I am familiar with life as a "singly" and life as a "pad".

Welfare SNCO
SSgt "Dave" Scott

I have served 23 years in the Army of which the past 2 years have been in the welfare environment. I have been married to Guelcan for 14 years and have 2 sons, Kevin and Orkan who go to a local German school. I also get home about one weekend a month, but that's due to my boss working me too hard!

Welfare JNCO
LCpl "Stacey" Byrne

I have been in the Army for nearly 5 years, I have worked in welfare as the welfare JNCO for 1 year, my main responsibility is the housing arrangements for all married soldiers. I have many sporting interests with mountain biking being high on the list. I am originally from Manchester. Unlike the older folk above I am single which means that I know all of the single soldiers currently deployed.
