Javelin Barracks, Elmpt Station, BFPO 35

ANNUAL GENERAL MEETING – MON 13 JUN 05

Dear Club Members,

It is proposed to hold the AGM for the Rhine Area Game Angling Club at the Dutch PMC, JHQ on Mon 13 Jun at 1800 hrs. This will be the first formal meeting for the club since considerable steps have been made to ensure our conduct and establishment complies with the necessary procedures, and I would ask that you make every effort to attend, and show your continued support.

As you can see from the title, the name of the club has been amended slightly, to ensure that the Club Charter, Club Rules and Insurance policy all refer to the same organisation.

A draft copy of the new Club Charter and Club Rules have been attached for your consideration prior to the meeting, and the Chairman will ask for all Club members to ratify both documents at the AGM on completion of any amendments that are discussed on the evening.

Also for discussion on the evening will be:

- Committee positions and members
- Promoting the Club
- Adult and Youth Training
- Club outings

Should there be any additional points that you wish to discuss, I would be grateful if you could allow myself advance notification in order to ensure the Chairman is briefed before the evening.

Finally, for advance notification, the Lake will be closed to Club members on Wed 22 Jun due to a Red Tabs day being organised. This event will not only provide some much needed funds to the club but will also provide the basis for some key personell the oppportunity to experience our fantastic facility.

I look forward to seeing you all on the evening, and in the mean time, Tight Lines!
