RELOCATION OF WEGBERG PHYSIOTHERAPY DEPARTMENT TO ELMPT STATION

The physiotherapy department located at the Primary Care Rehabilitation Facility (PCRF) in the Wegberg Hospital Complex, will close on 30 July 2010 in order to relocate to Elmpt station during the week of the 2-6 August.

Unfortunately this means that we will not be offering any physiotherapy routine appointments during that week. A limited service operating from Elmpt Station Medical Centre will still be offered strictly to urgent patients who can self refer by dialling the Medical Centre reception on (Tel mil) 68 2600 or (tel civ) 02163 972600.

PCRF Elmpt will be located in room 8 to the rear of the Elmpt Station Gymnasium and will reopen on 2 August. The new premises will accommodate a patient waiting area and reception, three physiotherapists and an Exercise Remedial Instructor (ERI). The hydrotherapy service previously offered in Wegberg will no longer be available.

Military and civilian patients can continue to self-refer in the normal way by dialling PCRF Elmpt reception on (Tel mil) 68 2388 or (Tel civ) 02163 972388 between 0900 and 1500 hrs Monday to Friday.
