

Join the AWS Nurturing Programme and explore how to put the pieces of the Parenting Puzzle together.

The Nurturing Programme is a course run by the Army Welfare Service for parents and carers who wish to share their parenting experiences with other families.

Discover new, fun and exciting ways of putting the pieces of the parenting puzzle together and get the best out of family life.

The Nurturing Programme starts on 20th Jan 2012, between 0930am & 1130am in Sennelager, and will run weekly for ten weeks.

The course is free to soldiers, spouses and UKBC's within the Paderborn community. On-site childcare will be provided if required.
