» Contact with the AWS Team in Paderborn and Sennelager is on 05254 8045549

Youth, Community Development and Playwork provision has now re-opened in Paderborn and Sennelager.

The weekly programme has everything for young people from dance, arts and comedy to involvement in accredited awards schemes.

There is a music provision project for Adults from the community with an interest in music, offering opportunity to come down and make music with others or come and watch who is live on stage.

Parents can register children and young people in either setting, for more information contact the team on 05254 8045549

Interested in volunteering? Come along and find out more about the provision we offer and how you can become involved.

A trial use of transport without escort will be provided until Easter. The provision of Transport will run to and from AWS Youth Centre provision as per schedule above. Users Will be required to produce ID cards for access (Parents in the case of younger children. Parents are reminded that use of the bus is optional and should be confident in their childs' ability to use the service. Accountability for the responsible behaviour of children and young people remains with parents. Children and young people should be aware of the requirement to wear seatbelts and to remain seated during their journey. Parents are advised to drop off and pick up from bus stops at the times stated.
