

Paderborn Garrison Youth Forum and Youth Opportunities Fund (YOF)

The Paderborn Garrison Youth Forum, chaired by Bobbie Cook from Hameln, is an elected group of young people who identify and raise issues pertinent to children and young people across the Garrison.

The forum has a budget (the YOF) from which children and young people may bid for funds for worthwhile projects or resources to benefit the wider community, up to the value of €600.

Each AWS Youth and Community Centre holds application forms which should be submitted to:

Paderborn Garrison Youth Forum
c/o Army Welfare Service
Building 85
Normandy Barracks
BFPO 16

You will be contacted once the Youth Forum sits to decide upon YOF applications.

The Youth Forum raised money at the Four Season Fair to top up the fund and is ready to begin the process of allocating funds for this year.

Young People represented Paderborn Garrison at the Speak Out Conference at Church House and raised issues on behalf of children and young people to the wider forum.
