

Childcare Qualifications

Do you currently work in a childcare setting or would you be interested in working in one?

Applications are being sought from all practitioners who work a minimum of 8 hours per week, either paid or voluntarily, in a childcare setting. It is now a requirement that all settings, here and in the UK, have at least 50% of staff qualified.

For the academic year 2011-2012, we are delivering Level 2 Diploma in Childcare and Education and Level 3 Diploma in Pre-School Practice. These are both Nationally Recognised Qualifications and accepted as "full and relevant" by Children's Workforce Development Council, meaning that on return to the UK the holder will be qualified to a level that is accepted by all local authorities.

Anyone interested should start by completing the form available on www.bfgtutorsonline.net. The link is shown under the main menu heading at the top left. Interviews for places will be held in Garrisons during June and July. If you are unable to access this application form please contact Childcare Training Manger on: gsg-childcare-trgmgr@mod.uk
